YES FILM FESTIVAL

The Film

Your youth group is responsible for coming up with an amazingly hilarious commercial spoof of your choosing. Pick any product that fits within our “Rules” and let your creativity run wild. We’re looking for witty, humorous, solid gold movie magic. Use action, drama, various camera angles, makeup, lights, special effects (safe), etc... The sky is the limit!

We will show the films during our **ice cream social** with a panel of random judges. Take a look at our rules for submission requirements. Most of all, have fun.

The Rules

- **Deadline:** Saturday – February 16, 2019 (11:59PM)
- **Length:** 2 minutes max.
- **Content:** Clean, non-offensive, appropriate, modest, reverent, avoid involving Biblical principles.
- **Genre:** Comedy
- **Submission Method:** Please create or upload to an existing YouTube account and send us the share link. This link should not be shared with anyone else until after the film festival. We will use this link to access your film for the event. Again, do not share with anyone we want the videos to be fresh for the eyes at the event. Please proof your video before submitting to festival, also try and use HD quality for best viewing at show.
- **Submission Requirements:** Email your link to the YouTube video along with the name of your congregation, casting credits for the film (who's in it...etc.), and title of the film. Please separate these requirements into sections for ease of reading and legibility. Email to: info@yesyouth.org
- **Special Rules:** DO NOT, put the name of your congregation in the film or any identifying marks like credits. Titles of the Film are acceptable as long as they do not identify your congregation. We want the films anonymous until the winner(s) are picked by judges. We realize you may recognize people in film, however in the spirit of suspense, let's avoid ID's in the short film.

ABOUT YES WEEKEND:

The first YES (Youth Enrichment Seminar) Weekend was held in February, 1986 with approximately 280 young people from around the southeast in attendance. Since then, YES Weekend has grown to have attendances of over 1,000. Its success is built upon its motivating speakers, timely lessons, fantastic fellowship, great fun and spiritual growth. YES Weekend is designed for 6th through 12th grade and College students.

The premise behind the seminar is to prepare our young people to make sound decisions in their lives. We feel it is our responsibility to guide and direct our children in the way they should go. This will, as God has stated, help them as they grow old (Proverbs 22:6).

The impact we have on our youth is so great and we must keep them excited about Christianity. YES Weekend is one avenue we can take to keep the achieve this end. It is our hope and prayer to continue to lead our young people in the path of righteousness. We also hope for you to take advantage of YES Weekend to help prepare your young people for the future.

Sincerely,

Forrest Park Youth Committee
